

# CANDLES / CANDLEHOLDERS

---

This electronic votive stand comes complete with 32 electric candles. The built-in electronic sensor detects when a coin is deposited and automatically switches a light on.

This candleholder is fully electronic and ensures that one candle is always available to be lit.

### **CWCL33**

Fully electronic votive stand  
1030mm x 330mm x 800mm

Holds approximately 100  
candles

### **CW268**
